Data Documentation

Information, documentation and correspondence relating to this data.

(Please note that this is informal documentation intended to help users.
It is not a polished document. Additions/corrections are welcomed at info@motu.org.nz.)

1. Main Motu contact for this data:

Andrew Coleman

2. Other contacts for this data:

Type in a non-Motu contact for this data, if applicable.

3. Variables:

Various: see spreadsheet.

4. Data keywords:

Housing markets, population ageing

5. Dataset abstract:

This spreadsheet contains data on various aspects of the over 65 population in New Zealand compiled by Statistics New Zealand and released by them in the publication “New Zealand's 65+ population” (2007: chapter 6).

6. Motu Working Papers using this data set.

Coleman, Andrew. April 2010. “Squeezed in and squeezed out: the effects of population ageing on the demand for housing,” Motu Working Paper, 10-01.

7. Additional notes.

Data was obtained online directly from Statistics New Zealand.

8. Email correspondence.
